We, Oslo National Academy of the Arts – Department of Fine Art, has the pleasure of inviting the “ASSOCIATION TUNISIENNE DES ARTS VISUELS”, represented by its president Dr. Wissen Abdelmoula, for a visit to our Academy in Oslo the 23rd of February to the 1st of March.

The participants need to cover their own expenses and costs connected to the visit, and the visit to Oslo will be organized by the travel agency “IWANNAGO” with its agent Georg Stensland.

The program will include, in addition to visiting our facilities, visits to several art-related locations in Oslo such as the National Museum, the museum of Much, Vigelandsparken, Roseslottet and more.

Yours truly,

Mike Sperlinger,
Acting Dean

Maiken Håvarstein,
Programme coordinator
